Krix Rhythmix Series One Floor-standing Speaker.

Krix Rhythmix Series One Floor-standing Speaker

Product Specifications

Krix Rhythmix Series One Floor-standing Speaker Description.

The Krix Rhythmix offers a **smooth and sophisticated** listening experience, making it the perfect choice as the front speakers of your home cinema system. Audiophiles will be pleased by the Rhythmix's ability to produce **superb stereo imaging and depth**, along with excellent low frequency extension and exceptional mid range.

The Krix Rhythmix is an **elegant** addition to your living room, with dual 130mm bass drivers and a 26mm ring-radiator tweeter, all in a compact black high-gloss floor standing cabinet. The Krix Rhythmix is a valuable addition and focal point for any sound system.

The Krix Atomix is part of the **Krix Series One** range of home theatre speakers, which also includes the Atomix bookshelf speakers, Sonix centre front speaker, and Seismix Cube active subwoofer. If you were using the Krix Rhythmix in a home theatre application, these other Series One speakers would be perfect sonic and aesthetic match for your Krix Rhythmix speakers.
